About Me

I am a passionate and detail-oriented undergraduate at the Sri Lanka Institute of Information Technology (SLIIT), pursuing a BSc (Hons) in Information Technology specializing in Data Science.

My interests focus on data analytics, machine learning, and artificial intelligence, with skills in Python, SQL, Power BI, and R.

I am seeking an internship or entry-level opportunity to apply my technical and analytical knowledge to real-world data-driven projects and continue growing as a future Data Scientist.
